Everything you need to know about...

# CREATIVE WRITING

BEAT THE COVID-19 EDUCATION CHALLENGE WITH OUR VIRTUAL 'LIVE' ENGLISH PROGRAMMES

**Four 1 hour Zoom lessons focusing on everything your students need to know about Creative Writing for their GCSE exams. Each 'virtual lesson' will include an introduction and explanation; development and practise of ideas and concepts; exam-style tasks and discussion.**

Detailed, clear and colourful work booklets will be sent to your students' home addresses in advance of their 'Everything you need to know...' programme. A register of attendees will be sent to you, together with collated student evaluations, following the completion of the programme.

Each programme will accommodate up to a maximum of 15 students and be led by one of our subject-specialists.

Virtual Learning Via Zoom

### Technical skills

The importance of vocabulary, sentence structures, coherence and cohesion will underpin each of the four lessons.

### Writing engaging narratives

The purpose of a narrative is simple – to tell a story. Telling a story which engages your reader is far more challenging. Students will practise setting the scene, creating the problem and reaching a resolution in their writing.

### Making a start

Students will use a range of exam tasks to generate ideas. Then, they will move on to planning and structuring their texts.

### Writing amazing descriptions

Students will evaluate what makes an effective piece of writing, before practising a variety of techniques (including appealing to the senses, being specific and using figurative language).
