Thinking Transformed

Everything you need to know about...

WRITING FOR PURPOSE

BEAT THE COVID-19 EDUCATION CHALLENGE WITH OUR VIRTUAL 'LIVE' ENGLISH PROGRAMMES

Four 1 hour Zoom lessons focusing on everything your students need to know about Writing for Purpose in their GCSE exams. Each 'virtual lesson' will include an introduction and explanation; development and practise of ideas and concepts; exam-style tasks and discussion.

Detailed, clear and colourful work booklets will be sent to your students' home addresses in advance of their 'Everything you need to know...' programme. A register of attendees will be sent to you, together with collated student evaluations, following the completion of the programme.

Each programme will accommodate up to a maximum of 15 students and be led by one of our subject-specialists.

Virtual Learning Via Zoom

Making a start

Students will use a range of exam tasks to generate ideas. Then, they will move on to planning and structuring their texts, taking into consideration audience, purpose and form.

Writing convincing texts

Students will evaluate what makes effective purposeful writing. Using modelling and scaffolding, they will draft texts in various styles and registers to suit audience, purpose and form.

The importance of language

Exploring the impact of vocabulary and linguistic devices will enable students to experience how language 'works'. They will practise and develop their own use of language in response to exam-style questions.

Technical skills

The importance of vocabulary, sentence structures, coherence and cohesion will underpin each of the four lessons.
